Wolverines Near Championship In Yerington Victory

Local Gridders Will Travel To Gardnerville For Next Game

The local Tahoe Truckee High School Wolverines moved one step closer to the Northern Nevada A conference championsip and a berth in the state play-offs last Friday night as they rolled over the Yerington Lions on the Lyon County Field 25-0.

A fired up Yerington eleven, playing their last game of the season, held off the vaunted Wolverine attach fairly effectively the first half, but in the end were completely outclassed and out gunned.

Coach Guy Wilson and his Tahoe Truckee Jayvees went into the win column last Friday night when they blanked the Yerington Jayvee eleven on the latter's home ground 12 to 0. This Friday the small scrappers will engage the Douglas Juniors at Minden as a preliminary to the big event.

The Cardinal and White, as so many times this previous season, took the opening kick-off and moved to a 6-0 lead in very short order.

After ramming the weak side on a series of quick hitters and crossbucks, Jerry Cinani, Wolverine quarterback, faked a hand-off and slipped back to pass. Wingback Woody Ribal got behind the secondary defense, took the pass in stride, and went the distance for six points. The entire play covered sixty-one yards. Medford's conversion attempt was wide.

Except for this early offensive display the Wolverine attack was grounded the balance of the first half. However, the Cardinal and White blew two excellent scoring opportunities due to penalties. Once the attack was stalled on the eighteen yard line and another time on the nine in the second period. As consolation, the locally celebrated "Red Raider" defensive unit was tremendous the first

Water Rates Will Advance Nov. 1st

Daven Morey, manager for the Truckee Public Utility District, this week again called attention to the change in water rates effective November 1 and which will be billed December 1.

The advanced rates provide for a $4.50 minimum on meters up to three-quarters of an inch; $5 on three-quarter to one-inch meters; $7.50 for one to two-inch meters: $14.00 for two to the inch and $26 for all over three inch.

The metered rates depend upon the gallonage used with the minimum applying up to 6,000 gallons. For the next 4,000 gallons over the minimum a charge of 25 cents per 1000 gallons will be made while the next 20,000 gallons will be charged at 20 cents per 1,000 and all over 30,000 will be at the rate of 15 cents per 1,000 gallons.

The new rates were adopted by the board of directors several weeks ago when it was found that the present rates were not meeting the operating expense.

LACK OF INTEREST DELAYS ADULT CLASS

Due to the small number of returns for the adult education program planned for the district, no classes are as yet scheduled. A minimum enrollment of 25 persons is needed in order to establish a class. Sewing, with 15 persons indicating interest, is the only class that appears to be on its way to being established.

The high school administration asks that all interested persons either send in the forms distributed throughout the district or call James Brehler at the school LU 7-3574 so that classes may be started in the near future.

KATHRYN BARRETT ON SCHOOL PAPER

Kathryn Barrett, a freshman at Joaquin Miller Junior High School Sacramento has been named as a copy editor of Miller Highlights, the school paper, writing three articles for her initial issue. Sheila, second daughter of Mr. and Mrs. Douglas Barrett is a member of the student council for the seventh grade.

OUT OF ARMY

Lt. and Mrs. Richard Arington spent last week visiting her parents, Sergeant and Mrs. Frank Snyder. Arington was recently discharged from the army after serving on the east coast and the couple may make their home in San Francisco.

In Capital—

Recent visitors to Sacramento with their respective families and friends included Mrs. William Englehart and daughter, Gail, Mr. and Mrs. Robert Leamon and Daven Morey.

Dog Control Law Being Offered For Action By Board

Area Sanitarian Richard Walker reported this week that he and Hal Cox, sanitarian in the western section of Nevada County, are preparing a dog control ordinance which will be presented to the board of supervisors for action on November 2.

The ordinance, if passed, would require a license, rabies inoculation an close restraint of known vicious animals.

The ordinance will be offered by Dr. Stanley Ogush, county health officer, Walker said.

Need for such an ordinance was pointed out by Walker who said that only four weeks of the past summer has there been no dog in quarantine after biting a person. At the present time, he added, there are three dogs in quarantine.

Recent attacks on deer and other animals have been reported as the work of vicious dog packs.

At the same time, a petition is being circulated by Mrs. William Fordam requesting the board to take official action to prevent further injuries to persons from uncontrolled canines. Although the petition has not been widely circulated, it already contains more than 100 names, Mrs. Fordam said.

Wyatt Is Granted Hospital Hearing

The third district court of appeal has ruled the Tahoe Forest Hospital near Truckee, Nevada County, must grant a hearing to Dr. Thomas Daniel Wyatt of Crystal Bay, Nev., on his application to practice in the hospital.

The ruling reverses a decision of the Nevada County Superior Court which upheld the hospital board's rejection of Dr Wyatt's application. He claimed as a licensed physician in California he is entitled to practice in a public hospital.

He asked the board be required to grant him a hearing.

The appeal court ruling states Dr. Wyatt's license was revoked in 1939 after he was charged with illegal abortions in 1931 and 1938.

The ruling further states the license was reinstated in 1940 but again was revoked in 1942 when he was charged with two illegal abortions and with disturbing the peace. This revocation, however, was reversed by a court.

The appeal court decision also says a $5,000 judgment was levied against him in 1954 on an allegation of failure to remove a uterus. It mentions his wife divorced him in 1954, claiming he always was intoxicated.

ROAD PROBLEMS IN AREA ARE STUDIED

The street and road problems in this area were scanned and discussed Tuesday when two members of the highway committee of the Nevada County Grand Jury and Supervisor Mosco Smart met with Supervisor H. G. Loehr to review the local area.

The grand jury members were Robert Kohler and Ralph Alderman.

The state has notified the board of supervisors of roads which will be turned over to the county for maintenance and the group in the meeting this week discussed ways and means of absorbing the new roads.

DeMOLAY BOYS AT RENO FOR BOWLING

Members of Tahoe Truckee Chapter of the DeMolay went bowling at Reno Sunday. The group included Steve Randall, Wade Hensley, Merrill Englehart, Terry Walker, Walt Mandeville, Fred and Randy Schultz, Mike Kumle and Richard Brown and guests Ron Brown and Jim Loynd.

Jay Mandeville was recently given the Cavalier Award, one of the highest DeMolay awards by the degree team from Chapter One at Reno. Masonic and DeMolay guests were present.

WELCOME SON

Mr. and Mrs. Bruce Grow welcomed their third son, October 24 at Tahoe Forest Hospital. The lad whose first weight was recorded as 7 pounds, 14½ ounces has been named Frank Weston.

The proud paternal grandparents are Mr. and Mrs. Leslie Grow.

New Election Law Will Effect Local District Officials

Obexer Resignation From Board Is Accepted With Regret

The board of governors of the Tahoe Truckee Unified School District at their last meeting discussed the new school election law which provides a marked change in procedure.

Two items of particular interest to the district are:

1.—School trustee elections shall be held only on odd numbered years and all trustees shall be elected for four year terms.

2.—There will be no school election in 1960; all members whose terms expire June 30, 1960, have been automatically extended to June 30, 1961.

In other action the board regretfully accepted the resignation of Herbert Obexer of Homewood. Superintendent John Corbin was instructed to write Obexer a letter expressing the board's appreciation for his work and past services.

The resignation was prompted over a disagreement regarding the use of school facilities by the California Olympic Commission during the staging of the 1960 winter games.

Six new employes were hired by the board. They include Mrs. Emma Spillner as part time clerk at the Truckee Elementary school; Mrs. Unis Hoff, part time clerk at the Tahoe Elementary school; A. Monty Schwartz, bus driver-custodian; Edgar Schofield, bus driver and Mrs. Emma Shaw, cook's helper, Tahoe Lake school.

C. Z. Smith appeared before the board concerning insurance coverage. It was agreed by the board and among the insurance dealers that there will be one broker to service the entire account and to retain a given percentage of the commissions to defray his cost. The balance of the commissions will be divided among all qualified agents and brokers, including the servicing broker.

UNITED NATIONS IS TOPIC OF MEETING

Wyethia Woman's Club invites everyone to come to the Tahoe Truckee High School Thursday evening October 29 at 8 p. m. to enjoy and learn about the United Nations, their program and project, the service they render and the vital part they play in world peace.

The evening will be devoted to films on all phases of the United Nations program, world affairs and our part as a community and an individual. One film will be on the world affairs council.

Young people of the high school are invited to come and join with the adults of our community in this world affairs program. Mrs. Julie Davis will represent the Wyethia Club.

JUDGE HOLDS FOUR FOR HIGHER COURT

Judge Fosten Wilson last week bound four persons over to the superior court on various charges. Robert Homer McDaniels faces statutory rape charges and was returned to the county jail by extradition from Florida.

Carthal McCoy Snowden, 35, of Campbell was being held on forgery charges filed by Wesley Karsen of the Pastime Club and drunk driving charges are faced by Raymond Ames of Sparks. The fact that a person in the car was injured makes drunk driving a felony.

CAPITAL MAN HELD FOR ILLEGAL HUNT

Alwyn S. Whitehead of Sacramento appeared before Judge Alden Johnson at Sierraville this week on a charge of spotlighting deer. He was fined $500, his rifle confiscated and he was given a 90 day jail sentence which was suspended.

Whitehead was arrested by Game Warden Hal Mefford in Bickford Meadows at 1:30 a.m. on October 11. He told the warden he was not hunting but only sighting his rifle. The warden failed to believe the story as did the judge.

BULB SALE

The Donner Florists at Gateway Shopping Center are having a sell-out of daffodils and tulip bulbs, featured at $1 a dozen.

SUNBEAMS

By WALTER M. BARRETT

The National Safety Council has issued some very sound advise for the conduct of children during Halloween which we think worth while passing on. The advise follows: Be sure your children are able to see through those goblin masks they will don for Halloween's "trick or treat" and better yet, be sure that they are supervised when ringing neighbor's doorbells. Do not allow children to use plastic bags for masks, the Safety Council says, for obvious reasons. Accidents to children, it was pointed out, are always more prevalent when children are unattended either indoors or out. A wise precaution is for an adult to accompany smaller children when they are making their holiday rounds.

Philippi Honored By Grand Lodge

For the first time in its long history, Truckee Lodge No. 200, F. & A. Masons has had a member appointed to the grand lodge.

Wayne Philippi, past master of the local lodge was signally honored when he was appointed senior grand stewart by Grand Master Joe Sheel, according to James McIver, master of the Truckee Lodge.

Officers for Truckee Lodge will be elected at a meeting on November 5, McIver announced.

Nancy Williamson Is College Queen

The Associaed Students of Sierra College join with the faculty and administration in extending an invitation to all alumni to return to their alma mater for the festivities of Homecoming Day, Friday, October 30. Among the gala events of this most-popular of all campus days are the parade of floats through Auburn, the football game with American River Junior College at Auburn, and the dance in the evening at Earl Crabbe gym.

Reigning over all celebrants and celebrations will be Nancy Williamson, Tahoe - Truckee High school graduate, who was chosen homecoming queen over four other co-ed finalists.

Nancy was sponsored by the Class of 1961 of which she is a member and by the California Student Teachers Association, a group of education majors on campus.

TWO STUDENTS JOIN MEET OF TEACHERS

Accompanied by their physics teacher, Carl J. Lude, Larry Jellin and Richard Brown, local high school students, attended the fall meeting of the American Association of Physics Teachers at Sacramento State College.

The two local boys were the only guest students in attendance and had the opportunity to meet a number of notable teachers including Dr. Harvey White of the University of California.

The meeting was held last Saturday and the day was filled with worthwhile topics.

LAST RITES ARE HELD FOR GUY BRUNDAGE

Masonic rites were held Wednesday in the Masonic Temple at Auburn for Guy W. Brundage, 76, former state worthy grand patron of the Order of Eastern Star, who died Saturday in Sacramento after a long illness.

Brundage was well known in Truckee and vicinity where he assisted in organizing the bank many years ago. He had lived in Auburn 51 years and was the organizer of the First National Bank there in 1908 and later its branches in Newcastle, Truckee and Colfax.

SON BORN

Mr. and Mrs. William Biggs of Carnelian Bay became the parents of a baby son born at the Tahoe Forest Hospital Tuesday, October 27 at 1:04 p. m. The boy weighed eight pounds and nine ounces.

Plan Proposed To Give Aid To Those Facing Eviction

Yolo Lawmaker Is Seeking Means To Reimburse Local Owners

State Assemblyman Lloyd W. Lowrey of Yolo County said plans are under way to seek help for eight cabin owners and a resort in Placer County who have been ordered out of Tahoe National Forest to make room for a freeway on U. S. Highway 40.

Lowrey said he hopes to organize cabin owners on forest service land to persuade congress to enact legislation to provide payment for cabin owners who are forced to move.

State and federal officials confirmed the nine owners held year to year leases on the forestry land under existing law cannot be compensated for moving their buildings.

Lowrey said he learned of the plight and presented the matter at the Western States Public Land Committee meeting in Denver, Colo., last week. The committee asked the Council of State Governments to investigate.

The state division of highways said its right of way agents originally approached the cabin owners intending to make payment for the cabins which would have to be removed but learned no payment could be made under the year to year lease agreements. Under fixed term leases of forest service land payment could be made.

The cabins, valued at between $6,000 and $12,000 each, and the resort, valued at $40,000, are adjacent to the U. S. 40 between Emigrant Gap and Hampshire Rocks in the Big Bend Tract.

Compact Hearing Set For Nov. 4th

The Joint California-Nevada Interstate Compact Commission will meet at 9:30 a. m. Wednesday, November 4, in Sacramento. The meeting will be held in the Assembly Room of the State Agricultural Building, 1220 N Street.

The agenda of the two-state group calls for discussion of Lake Tahoe water problems, Donner Lake rights, and other matters concerning the allocation of waters between the two states.

In a meeting last week, Nevada members of the compact resolved their own differences after a lengthy session called at the suggestion of Governor Grant Sawyer.

As a result of the meeting, it is hoped that an agreement over the use of the waters of Lake Tahoe can be solved by the first of the year.

The reluctance of Nevada to take a definite action led the California delegation to demand that Nevada "get off the dime" and hinted that they would start taking individual action on the water.

The Nevada delegation, according to reports, came to the conclusion that there is sufficient water to serve the Nevada shore and yet protect the rights of California and the downstream water users.

EASTERN STAR WILL HONOR OFFICERS

Truckee Chapter No. 116, O.E.S. will meet on November 3 with Pearl Heller, worthy matron, and Charles Heller, worthy patron, presiding.

The officers and committee chairmen will be honored by the worthy patron and matron and refreshments will be served in the banquet hall.

Nine of the officers of Truckee chapter attended the grand chapter in Long Beach last week where more than 6000 met in the auditorium.

Taken To Jail

Richard Padfield, wanted for investigation of forgery in San Jose, was arrested by sheriff's deputies. Padfield, who officers said was working in Squaw Valley, was taken to the Placer County jail in Auburn and held for Santa Clara County authorities.

Returning from a sojourn at Monterey were Mr. and Mrs. Lauren Russell, Mr. and Mrs. Zeph Rose, Mr. and Mrs. Dave Rose, Dr. and Mrs. Ben King.

Board Reconsiders Land Bid, Sells To Lewis For $51,000

The governing board of the Truckee Public Utility District Tuesday night reconsidered the bid of G. E. Lewis and agreed to sell him the 65 acres of land south of U. S. 40 and west of State Route 89 for the sum of $51,000.

Under the agreement Lewis must develop the property before December 31, 1960. This development includes subdividing, installation of approved county roads, power and water and other essentials. A well for domestic water use has already been developed by the buyer.

It is estmated that $30,000 will be required to bring the property up to the standards requested by the district. Lewis was asked to put up a $25,000 performance bond to assure the development.

This land was recently advertised for sale by the district and Lewis submitted the only bid. The bid was first rejected but later reconsidered and accepted.

Three Soldiers In Near Fatal Crash

One soldier stationed at Squaw Valley was critically injured and two others suffered less serious hurts when their car overturned Tuesday at noon a mile north of Tahoe Pines.

Most seriously hurt and in Washoe Medical Center at Reno is Robert L. Bombadier, 19. The driver, Ellis Howard Bolt, 18, and LeRoy Berreth, 19, are in the Tahoe Forest Hospital.

The California Highway Patrol said Bolt will be cited. The three were traveling toward Tahoe City when the state owned pickup got out of control on a curve and overturned after hitting a bank.

The men are stationed with the 41st Signal Battalion, now engaged in military work in preparation for the 1960 Olympic Winter Games.

As the result of a collision between cars driven by Raymond Kaplan of Berkeley and Conrad L. Lahr of Carmichael, Mrs. Marilyn Lahr, 20, was treated for injuries at the Portola Hospital. Kaplan was cited for making a bad pass resulting in the collision which occurred near Soda Springs.

Steve Lovett, 64, Stockton, was treated for neck injuries at the Tahoe Forest Hospital Friday after his car was struck in the rear by one driven by Rex Donaldson, 18, Tahoe City, a student at the University of Nevada. The mishap occurred south of Deer Park.

Clarence Muller, 42, El Cerrito, was treated at the Tahoe Forest Hospital Monday as a result of a freak auto accident two miles south of Tahoe City.

Muller was a passenger in a car driven by Albert L. Simmons of Tahoe Vista and when a large dog ran onto the highway, Simmons swerved to avoid a collision and lost control. The car was wrecked but the dog escaped injury.

HAM DINNER TO BE HELD ON SATURDAY

The Truckee Elementary School faculty and staff invites everyone to come to the school for a full ham dinner on Saturday, October 31, 1959.

The dinner, cooked and served by the teachers and cooks, will be served between 6 and 8 o'clock.

Tickets are available from student salesmen and at the door. Adults — $1.50, high school — $1, children—75 cents. Proceeds will go toward a scholarship fund for graduating high school seniors.

There will be entertainment during dinner, too.

Everyone is welcome.

WALNUT CREEK PAIR BUY LAZY L COURT

KINGS BEACH—Mr. and Mrs. John Olson have arrived to take over the Lazy L Court at Kings Beach which they recently purchased from Mr. and Mrs. Fred Wade.

The Olsons are from Walnut Creek and plan to operate the Lazy L on a year around basis.

The Wades are leaving to make their home at Palm Springs, and will be missed by their many local friends.

Visit Yosemite—

Mr. and Mrs. James Walker visited in Yosemite during the weekend.

Olympic Officials Answer Critic Of Squaw Program

Work Progressing Well As Assemblyman Again Asks Probe

A demand from State Assemblyman Samuel R. Geddes of Napa County for an immediate investigation of the "newest foulup at Squaw Valley" brought forth a statement from an Olympic Games offical that construction is on

Geddes, a long time critic of Squaw Valley plans, said the resignaion of the Olympic committee's executive director, Robert L. King, is a warning the games are in trouble.

"I do not know whether the resignation was real or forced," Geddes said, "but I do know we have almost a matter of days until Squaw Valley has to be ready for the 1960 Winter Olympic Games."

The assemblyman warned that if reports he has received of construction problems are true "the government and state would be subject to worldwide humiliation."

Prentis C. Hale, president of the Olympic Games Organizing Committe, denied the existence of any construction problems.

"Construction at Squaw Valley is proceeding more than satisfactorily," Hale said. "We are on schedule and will stage what we hope will be the finest winter Olympic games in history. Mr. Geddes or any representative of the State of California is more than welcome to inspect our progress at any time."

Harold Berliner, chairman of the Olympic Games Commission, said King's resignation will not impede preparations for the games. King resigned October 9, stating he had a better job opportunity.

The games will be held February 18th to 28th. An official said the ice arena, the last piece of major construction, should be completed by the target date, December 15.

Geddes called on Governor Edmund G. Brown to send experts to the valley to determine the status of construction.

If the report isn't favorable," Geddes said, "he should brush aside the committee which has already spent millions without getting the area ready for use and send state engineers to see that things will be ready when the games open."

Red Cross Drive Will Start Soon

Truckee Chapter of the American Red Cross will open their annual fund drive November 1. George Kaspian and Daven Morey will head the drive with a committee of members assisting them.

The Truckee Chapter has an extensive service program in this community headed by Social Chairman Dorothy Fordham. The Red Cross board asks support at this time to continue the community work.

Members of the committee assisting in the drive are Mrs. Robert Bick, Mrs. Fordham, Mrs. Martin Sturcke, Mrs. M. C. King, Miss Ella Waters and Mrs. Fred Pedley. Additional workers are needed and their help appreciated.

GREGORYS MARRIED FOR SECOND TIME

Wedding bells rang Tuesday for Vivian and Rufus Gregory, now of Chico but for 19 years residents of Truckee.

After being separated by divorce for a period of two years, the well known couple decided upon a remarriage and accompanied by Mr. and Mrs. Walter Loynd, of Truckee, who attended them in 1933 when they were married, went to Reno for the ceremony.

Gregory, who was in business here from 1932 to 1950, is currently in the real estate business in Chico. Their many friends will wish the newlyweds happiness.

SALE OF STORE IS DENIED BY OWNERS

Dav and Zeph Rose, managers of the Truckee Z Market, this week emphatically denied rumors to the effect that Rose Brothers are planning to sell the Z Markets.

"We plan to sell nothing," Rose said, "except groceries, meats and other items in our stores. These rumors are absolutely foundless and we have no idea how they were started."

Rose Brothers operate stores at Arcata, Greenville and Truckee.

Pot Luck Planned

KINGS BEACH — The Tahoe Twirlers, headed by John Levra will add a potluck supper to square dancing beginning at 8 p. m. November 7 in Carpenters Hall at Kings Beach. Those attending will take the supper dishes to the congenial meeting.

Mr. and Mrs. Gus Benjamin stopped here Thursday en route to their home in Colorado from a visit with their family at Sacramento.

CONTRACT AWARDED FOR ROAD MARKERS

A low bid of $1,972.80 was received by the state division of highways for the installation of new type center-line delineators in the six and one-half miles of paved dividing strip on U. S. Highway 40 freeway from Floriston, about 13 miles east of Truckee, to the Nevada state line.

Jay W: Wilmouth of Fresno submitted the low figure and was one of five bidders for the job, according to highway officials at the Marysville district office.

The high-visibility delineators were recently developed by engiiners in the district office to provide motorists with an easy-to-see guide when the center dividing strip is difficult to recognize during snowfall and inclement weather.

The new markers will be of plastic molded tubing, about one and one- half inches in diameter and four feet in height, and are to be set in metal sockets anchored in the four-foot-wide center strip paving.

The tubes will be covered with five alternate bands of orange-fluorescent and silver-reflective sheeting. The orange will give good daytime visibility and exceptionally bright contrast to snow; the silver will provide high nighttime reflectivity.

On straightaways the markers will be placed approximately every 200 feet and at lesser intervals on curves.

Installation is expected to be completed about three weeks after approval of low bid by the state highway engineer in Sacramento.

PROPER LANE WILL AVOID ACCIDENTS

Choosing the proper traffic lane while driving on multilane highways, including freeways, is a skill that many motorists have not yet mastered, according to Bradford M. Crittenden, commissioner of the California Highway Patrol.

"The key to using the correct lane, Crittenden said, "is to avoid impeding the normal flow of traffic. On a divided road with two traffic lanes on each side, you should drive in the right-hand lane except when overtaking and passing another car or when preparing to make a left turn. By keeping to the right, you will not be guilty of holding up a long line of cars in the passing lane."

Although the law is the same on freeways having more than two lanes of traffic in each direction, thoughtful motorists expedite traffic and minimize conflicts by driving as much as possible in a single lane where the other vehicles are traveling at approximately the same speed, the patrol official said.

"If you are being passed on the right you are probably driving in the wrong lane," Crittenden emphasized, "and you should move to the lane on your right. This will allow the faster cars to pass you safely at the left and keep traffic moving smoothly."

Twenty-seven sugar plantations in Hawaii produce 90 per cent of the island's sugar output; about 1900 small independent producers make up the balance.

Changes Made In Games Personnel

SQUAW VALLEY — Four new staff appointments have been made by the organizing committee for the VIII Olympic Winter Games, Managing Director H. D. Thoreau announced.

At the same time, Robert King anounced he was resigning as chairman of the organizing committee to engage in personal business at San Francisco. He took over as executive director of the games in October of 1957.

Robert J. McMahon, who has been serving as housing director, has been named community relations director. He will work on the organizing committee's promotion and public relations program.

Taking McMahon's post as housing director will be George W. Goldsworthy, who has been superintendent of the hotel division for the Yosemite Park and Curry Company since 1925. Goldsworthy has been a member of the board of directors of the California State Hotel Association since 1945, and served as chairman of the resort committee of the American Hotel Association in 1957.

The two other appointees are coming to the organizing committee on a voluntary, part-time basis. They are Egisto Beghe, director of reception and interpreter programs, and Jerry Bromberg, assistant pageantry director.

Beghe is tour director and manager of the International Department of the Sheraton-Palace Hotel in San Francisco. Bromberg is president of the Burlingame Motor Company.

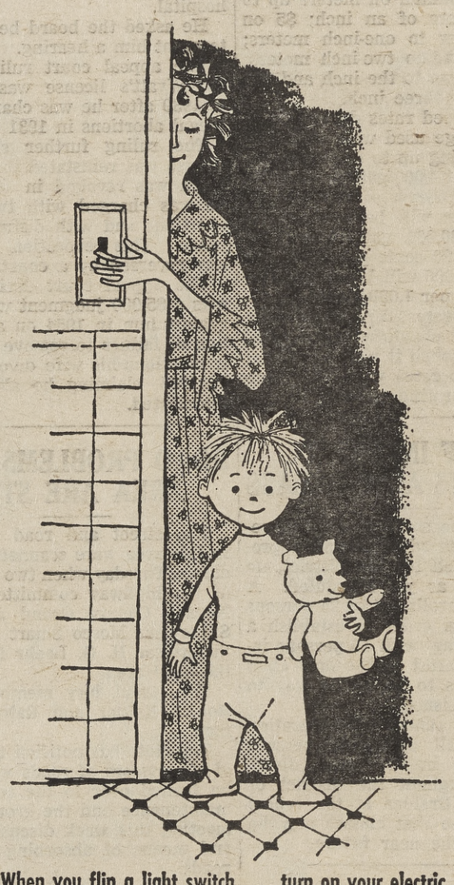
when you flip a switch . . .



When you flip a light switch . . . turn on your electric range . . . or switch on the TV set, you expect electricity to be there, ready in an instant, night or day.

It's our job to keep electricity at your fingertips, 24 hours a day, so you can enjoy all the benefits of electrical living. That's why our linemen rush out to handle sudden emergencies—summer storms, lightning, winds that throw limbs across power lines, auto wrecks that shear off power poles.

Our aim is to keep electricity at your service, at all hours, in all kinds of weather, so you can live better, electrically!

P. O Tahoma, Lake Tahoe

The Lake Tahoe Area Council needs historical lake lore for its research and planning files. Old deeds, early day diaries and journals often prove gold mines for the researcher, says Dr. Charles A. Armstrong, president of the University of Nevada and chairman of the council's research committee. Original surveys, property descriptions, organization records and similar documents are also valuable, he says. If you are in possession of such material concerning the Lake of the Sky region, and feel it may be of value to the Council, get in touch with either the Reno office of the Council, 15 West Second St., telephone FA 9-2993, or the Lake Tahoe office at Highlands Center, Tahoe Center, telephone JU 3-3761. Scour your attic and bookshelves to see if you can help.

Comstock Acres has all its roads blacktopped and construction at Tahoe Alumni Center is well on the way. The huge lodge, when finished, will be used for lounge and conference facilities, and add sleeping accommodations for about 150 alumni and families. There'll be a swiming pool, dining room, staff accommodations and recreational facilities. Expected completion date is June, 1960. The center will be operated nine months of the year. Stimulating educational programs are planned and California alumni members, members of the University of California faculty and representatives of the university administration will be invited to lead discussions of important issues of current interest. The new center makes possible the planning of alumni seminars and educational institute. It was designed by Corlett and Spackman, San Francisco architects, who were also architects for facilities at Squaw Valley. Construction of the $472,000 project is under the direction of Marvin E. Collins, General Contractor Ltd., of El Cerrito. The new center and the two university camps operated by the university, will be under the direction of Mike Koll.

Mr. and Mrs. C. Norman Hislop, Jr. are renting the Strong house at Carnelian Bay. Mr. Hislop's new office for the Fidelity Title Company in Comstock Acres is now completed. Secretary Virginia Smith looked smart and efficient at the new desk and typewriter. She's a Californian via Wheaton, Ill. After 10 years in San Francisco and summering at Tahoe, she decided to stay permanently this year. Virginia met George Fritz of Kings Beach last summer when he was working near The Tavern, where she was working. They'll be married in June.

Miner's lettuce, Monti perfoliata, is also called Indian and Spanish lettuce, as it was eaten by both the Indians and early settlers.

TAHOE TRUCKEE SCHOOL NEWS

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children able to count for the milk without help this week were: Cinthie Ables, Charlene Keehn, Scott Jorgensen, Robert Easton, Richie Baker and Marlon Turner.

Nancy Ann Kelley surprised the class at snack time on Tuesday with Halloween goodies.

FIRST GRADE: The first graders have their aquarium back to school now. They are trying to get all their parents to come to the P.T.A. meetings so they can win the $3 and then buy some new tropical fish.

The best papers this week were done by Jackie Ghormley and Julie Howard.

SECOND GRADE: Many children received 100 per cent in the weeks assignment for arithmetic. They include: Laura Hoxsie, Lisa Beckman, Patty Barngrove, Carl Larson, Dorothy Pomin.

Over one half of the class received 100 per cent in a twenty four word review spelling test.

FOURTH GRADE: In Spanish we are learning the parts of our body, our clothing, and all the different objects in the classroom.

FIFTH GRADE: The reading of 'The Shooting of Dan McGrew' was beautifully and humorously done by Dick Pomin on the meeting of the P. T. A. Wednesday night. Pantomimes were done by Lynn Harper as 'The Stranger Out of the Night', Cathy Coster as 'The Lady Known as Lou', and Mike Keigh as 'Dangerous Dan McGrew.'

SIXTH GRADE: This week has been a busy one, with the election of new class officers and the California state achievement test. In our class election the new officers are: John Handy, president; Gregory Sumners, vice-president; Cathy Conners, secretary; and Karen McBride, sgt. at arms.

This year we also have a Dance Club, which holds dancing on Wednesday.

SEVENTH GRADE: Our class committee has arranged a bulletin board of illustrations of the first unit of world ways. Gail Fitzgerald and Bob Wells have pictures which show the tools of early man as compared to ours today. Nancy Bervid, Dennis Clinton and Estelle Howell show how early man lived and hunted. In our review test on fractions Chuck Carpenter, Don Decker, Kent Fugazi, Bob Holley, Estelle Howell, Rickie Marks, Amy Arndt, Wendy Boatman, Gail Fitzgerald, Roger Hayes and Sharon NyBlom received average or better grades.

EIGHTH GRADE: As we near the end of the first quarter some of our outstanding students are: Betty Christensen, Karen Critchley, Josette Fugere, Kathy Ploof and Kim Turner.

EIGHTH GRADE: The eighth grade has been busy two mornings of the last week taking the California achievement test. Still top speller is Brad Thompson. Working hard to also capture top places are: Gene Smith, Dean Denton and Joe Hoxsie. In math, Dean Handy holds top honors with "A's" in all math tests and quizzes. Bill Raikes and Dean Denton are strong "B" plus students.

KINGS BEACH SCHOOL

KINDERGARTEN: We want to welcome a new boy to our class. Michael Halley has just moved here from Reno. Gail Hayes was six years old.

SECOND GRADE: We have two new girls in the second grade. They are Carolyn Sprankle and Linda Brassfield. Our present enrollment is thirty-seven.

FOURTH GRADE: Our class is busy this week making paper mache masks and pumpkins for the Halloween festivities. We are anticipating the carnival and plan a class party for Friday.

FIFTH GRADE: Lorri Hanson is moving to Reno and Martha De Gregorio is moving to South Tahoe. We will miss them.

Nancy and Yvonne Hutchison spent Thursday and Friday in San Francisco.

SIXTH GRADE: Or 6th grade class has chosen sceretaries for Mr. Price, our principal. The secretaries are Sandra NyBlom, Larry Henderson, Joanne Ziegler, Beverly Bergman, Jill Roberts, Howard Price, Phil Thompson, Bruce Templeton. This week the Kings Beach School is having a Halloween carnival. It will be from 6 p. m. to 8:30 p. m.

DONNER TRAIL SCHOOL

PRIMARY GRADES: Story time in the primary grades has been altered to provide student oral reading practice and audience response. Several books of fairy tales have been obtained from the school library at the Truckee High School. Each day one student volunteers to read to the class at Story Time which follows the lunch period.

DONNER SUMMIT DANCE Friday evening, October 23, Sherman Williamson, Roberta Kisor and Laurel Mason put on a dance for the Donner Trail football teams, the Cougars and Allstars. Cakes and punch were provided by Mrs. Mason, Mrs. Lyddane and Mrs. Williamson. The people attending were the following: Terry Besold, Bunny Board, Debbie and Dorothy McCracken, Barbara Lyddane, Marcia Sult, Lynn Aro, Debby Zorich, Linda Hensley, Roberta Kisor, Laurel Mason, Bob O'Neil, Jay O'Rear, Barry Cardwell, Danny Anderson, Ricky Smith, Buffer Heckle, Richard Bartucco, Bruce Loder, Bill Strickland, Sherman Wiliamson and Mike McKenzie.

There were also a few seventh and eighth graders who were Kenny Kisor, Larry McCracken, Patty Kelly, Ricky Schull and Pat DeWitt. A contest was held and the winners were Patty Kelly with Sherman Williamson and Roberta Kisor with Barry Cardwell.

TRUCKEE ELEMENTARY

KINDERGARTEN: Both Mike McColgan and Pam McDonald have moved to Sacramento.

Shelley Anderson and Richard Saarni have had ear and tonsil troubles.

SECOND AND THIRD GRADE: Our mummers masks are ready for Halloween. Mrs. Anderson and Mrs. Davis are contacting mothers to help with the party. Best spellers this week are Melanie Anderson, Augie Acosta, Sandra Ferdinand, Fred Stewart, Dottie Kirk, Mark Manley, Debbie Harris, Larry Doyle, Diane Rose, Teresa Gonzales, Debby Jo Wurst, Carl Mahon, David Capel, Robert Gorham, Ben King, Carol Paselk, Kathy Campbell.

The class sends Debbie Harris a "get well quick" wish. Debbie is having her tonsils out.

THIRD GRADE: We are happy to welcome Maryann Atkinson to our class. Her family has moved to Donner Lake from Grass Valley.

Jeff Jellin, with the help of Bruce Leamon, gave a fine report on the speed of sound—a question resulting from our study of transportation.

Captains for new P. E. teams are George Franceschini, Joe Merica and Curtis Melugin.

FOURTH AND FIFTH GRADES: Ball monitors for the week were David Kerting and Danny Funk. Fourth grade spellers going to bat in Miss Kessey's room were David Higgins, Chris Kumle, Rod Farley, Jerry Householder, Pam Horman, Judy Ingalls, and Carol Brown.

In the fifth grade scoring perfect papers were Gail Englehart, Harold Winters, Garee Lynn Stewart and Beverly Holleman. Missing only one word were Cam Houlgate, Craig Mullis, Stella Breitengross. Scoring "A's" also were Billy Sassarini, Dennis Richards, Bernard Stacy, Nicky Kenyon, Cheri Comola, Bill Waters and Lenny Vind.

In the fourth grade, Keith Saunders, Billy Hobbs, Russell Glenn, Danny Funk, Pam Horman, Judy Ingalls and John Collier scored perfect papers.

FOURTH GRADE: Some beautiful interesting rock collections have been shown in our class by Karel Lynn Sauby, Stan Greene and Bill Rose.

Two of our friends, Bonnie Mather and Sondra Winters, have moved away and we surely miss them.

FIFTH GRADE: The fifth grade

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Prayer's effectiveness in healing sin and sickness will be emphasized at Chistian Science services Sunday.
Scriptural readings in the Lesson-Sermon entitled "Everlasting Punishment" will include this selection from James (5:14, 15): "Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him."
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (391:13): "It is error to suffer for aught but your own sins. Christ, or Truth, will destroy all other supposed suffering, and real suffering for your own sins will cease in proportion as the sin ceases."
The Golden Text is from Proverbs (15:29): "The Lord is far from the wicked: but he heareth the prayer of the righteous."

A fire in Peshtigo, Wisconsin, killed more than 1,000 persons on the same day as the Chicago fire, Oct. 8, 1871.

reserve team composed of those boys who haven't played much this year took on their counterparts the other fifth grade taught by Mr. Stever. The reserves won easily 12 to 0. Standout performers were Mike Grayson, Charles Scanlon, Bruce King and Tim McLane. For Mr. Stever's fifth grade the big guns were John Collier and Rodney Farley.

SIXTH AND SEVENTH GRADE: Judy McGwinn and David Sorani turned in perfect arithmetic tests last Friday. David Douglas and Terry Stark had the highest grades in the sixth grade.

Donald Greene is making a chart on the products of Central America.

EIGHTH GRADE: For such a large class, 45, there are only 14 girls, yet a lot goes on in the group of girls. We have a group of cheer leaders. They are Candy Board, Rita Williams, Dianne Silverri and Bonnie Fair. Mr. Leslie is taking some of the eighth grade boys over to the high school to get them ready for the junior varsity.

Our teacher, Mr. Licklider, is teaching us Spanish and we are also learning how to sing Spanish songs.

The eighth grade class is holding an election this coming Friday to elect new officers. The present officers are as follows: president, Steve Besio; vice-president, Norman Doolittle; treasurer, Tim Stark and secretary, Leilani Braasch.

This year for the first time Tahoe Truckee is starting a real rivalry with the neighbors on the other side of the lake, the South Tahoe Vikings. It has been discussed with the student body at South Tahoe, and they are in favor of it.

A perpetual trophy has been chosen which will be awarded to the winning team each football season. It will have the name of the team, the final score, and the year engraved on it. Tahoe-Truckee's Student Council has voted to pay half the cost of this trophy. The design has been sent to South Tahoe, and when their approval is received the trophy will be ordered.

The game with South Tahoe will become the traditional "Big Game." It is always the last game of the season, and the last for the senior boys. This year the Big Game is scheduled for November 7.

A winter style show will be presented at an all-girl assembly in the cafeteria on November 5 at 2 o'clock. It is sponsored by the "For Beauty Ideal" committee, known as the FBI. Members of the committee are: Lydia Craig, Sandy Fellows, Joanna Johnson and Ellen Rich. Mrs. B. J. Smith is the adviser.

The styles will be demonstrated by Cabona's and Besio's in Truckee, Codding and Wetzel's Ski Center in Tahoe City, and Gray-Reid in Reno. The clothes will be modeled by Tahoe-Truckee girls. Parents and faculty are cordially invited to attend.

WEATHER

It seems queer to tell about the weather. I am sure we have all enjoyed every minute of the gorgeous weather of the past few weeks. Today, Saturday, at 4 p. m. 62 degrees. No fog. No smog. Clear, just clear as crystal from morning until night.

GOLDEN AUTUMN

Went to Reno last Thursday over the new route via Truckee and we found our way out of that city. Everything was picturesque, the Truckee River running lazily along, lined along the sides with a mass of golden trees.

NEWCOMERS

Nick Jefferson, of West Los Angeles, has purchased the Evergreen Trailer Court on Fox Street, Kings Beach. We sure welcome Nick and his family to our community.

HOME AGAIN

Mr. and Mrs. Schofield of Goldcrest Lodge have just returned from a trip to San Francisco and many other points south.

HOME FOR WEEKEND

Joellyn Ashton, with her aunt Virginia Solberg spent a delightful weekend at Kings Beach. Joellyn is presently nursing at the Oconor Hospital at San Jose.

FEW DAYS HERE

The beautiful mother of Gwen Robinson was up during the past week from Los Angeles.

NICE TRIP

The popular bartender, Don Contreras, and his wife, Dee, spent a week in the San Francisco area. They certainly painted the town by all accounts, only the time was too short.

HERO RETURNS

Lieutenant Bob Moustris, of the Placer County Sheriff's department, returned last Sunday from a successful hunting trip to Colorado. He got a beauty, a 250 pounder, with eleven points and another four pointer. Bob is receiving congratulations and envious looks from the whole department.

The Marquise De Bonchamps of San Francisco is a guest at the home of Mrs. Sheldon Cooper near Tahoe Tavern this week.

A group of happy Brownie Scouts held a pleasant meeting at Tahoe Community Center on Tuesday afternoon to get things organized for the season. Delicious refreshments were served by Mrs. Mary Morris and Mrs. Betty Starratt.

Tahoe City (the little town beside the lake) is again deeply indebted to the volunteer firemen for extinguishing a fire in the hills above the town on Sunday afternoon. It was in a very difficult area to reach with no nearby roads and the firemen had to lay 37 lengths of fifty feet hose to reach it but finally got it all out late that day. The cause is reported unknown. Almost all the twenty-five volunteers turned out and spent some smokey, weary hours before it was out. Thanks again, boys for a job well done.

A fine turnout at the benefit golf game on Sunday raised a goodly sum for Tahoe City decorations for the Olympics, reportedly around $400.

PLACER CONCERNED OVER WATER SUPPLY

AUBURN — Dr. Richard F. White, director of the Placer County Health Department, has expressed concern regarding the quality of water served by various companies in the county which take their supply from open streams, rivers and springs.

This concern has prompted the department to increase its activities in an effort to keep the domestic water supply up to safe standards.

The health department's increased concern, Dr. White declared, lies in the fact that more and more people are building homes and populating the watershed areas which naturally leads to an increase in contamination of the sources of water. Sewer disposal systems, hikers, hunters, swimmers and fishermen are using more and more of these watershed areas and the domestic sources must be protected or chemical treatment must be supplied.

Glen Canyon Dam on the Colorado River will be second only to Hoover Dam in height, 700 feet from bedrock.

A special meeting was held at Donner Lake Lodge Sunday with most of the members present who belong to the new organization, Donner Lake Resorts. Mrs. Frank Whitear announced that plans for this Sundays meeting and dinner have been arranged and will be held at Donner Lake Lodge at 7:30. Art Saunders presented sketches to be used for emblems and letterheads and the one selected was a sketch of Donner Lake with a weather vane depicting the four seasons. Each motel, hotel and lodge owner will use stationery with this sketch with their own business name and address at the bottom. This week, the state chamber of commerce in San Francisco was notified of the new organization, its purpose and what we have to offer vacationers in our area.

Reserve Friday night, November the 13 if you want to have a lot fun at Smart's. The auxiliary of the Donner Lake Volunteer Fire Department will sponsor a card party that will top any card party you ever heard of. There will be a turkey, a basket of goodies and all kinds of worthwhile things, but . . . . you have to be there to win. All proceeds go to the Donner Lake Firemen to help with the new firehouse. Don't forget, Friday the 13th in November, at 8 o'clock at Smart's.

A delightful baby shower was held at the home of Mrs. Richard Walker Monday night, given by Mrs. Walker and Mrs. Robert Affeldt for Mrs. Tom Dolley, Jr. A large decorated cake carried out the theme as well as little candy cups made in the form of diapers. Cake and coffee were served by Mrs. Fosten Wilson, Mrs. Sherman Reams and Mrs. Walker after the games and after Mrs. Dolley opened the many gifts. Those present were Mesdames Fosten Wilson, George Kenyon, Tom Dolley, Sr., A. St. Claire, Tony Pace, Rex Reid, Alvah Hooper, Stanley Rasmussen, Dale Hall, Robert Tonini, Elden Tonini, Dwight Roberts, Aaron Thomas, Robert Affeldt, Dave Tremayne, Jess Heller, Charles O'Bear. Mrs. Essie Polvanich, Diane Keven, Evelyn Stinchfield, Ernestine Solaga, Mrs. Walker and the guest of honor, Mrs. Dolley, Jr. Many of the guests were surprised to see Mrs. Robert Affeldt as she just got out of the hospital the same day. She had been in the hospital for nearly a week so only stayed a short time at the shower.

DONNER SUMMIT NEWS

BY DONNA POWERS

DATE SET

The date has been set for Friday, October 30 and you are all invited to attend the opening ceremonies for the section of Highway 40 from Hampshire Rocks to Soda Springs. The final plans for the opening ceremonies were carefully laid at Tuesday's meeting in Donner Summit Lodge of the Donner Community Club's committee. The festivities will begin with a no-host luncheon to be held at Donner Summit Lodge at 12 noon. Jim Sheritt who has been a resident of the Donner Summit area during most of his life has been asked to summarize the history of the area as it relates to the highway development. Following the luncheon the group will reassemble at the Kingvale interchange at 1:30 to take part in the ribbon cutting ceremonies. The picturesque location was selected by the committee because of the interesting view Castle Peak will give as a background. Symbolic of winter driving in the area will be the use of tire chains to cut before traffic makes use of the roadway. A snow weasel will lead the caravan of cars which will tour both the east and west bound lanes. The program master of ceremonies will be president of the sponsoring organization, Al West. Ross Price has accepted the invitation offered to the Truckee High School band to play at the ceremonies. It is hoped that many local as well as out town residents will find the time to attend the gathering.

POSTMASTER ILL

The Soda Springs postmaster, Art Couilliard, has been missed during his absence due to a mild heart attack this week. Art was taken to the Highland Hospital in Auburn where he spent several days resting. He is expected to be back at his postal duties soon. His wife, Fran, has been acting postmaster in his absence beginning Tuesday.

TTEA MEETS

The Tahoe-Truckee Teachers Educational Association held its monthly meeting Tuesday in the cafeteria of the Truckee High School. Among the teachers present from throughout the district was the Donner Trails Schools primary teacher, Donna Power. The group under the chairmanship of the Tahoe Lake School's principal Jim Reynolds voted to amend their constitution to combine the program and social committee to be known as the program and social committee. The functions of the salary and teacher welfare committees will be combined as a welfare committee. Members for these and other committees were appointed. The chairmen of all committees will become members of the executive board. The group has again begun discussing the purchasing of a group insurance policy. To date none has been accepted. The teachers are looking forward to the social evening to be spent at the Tahoe Inn in Tahoe City on November 20.

HALLOWEEN CARNIVAL

The Donner Community Club is completing arrangements for the Halloween Carnival to be held on All Hallows eve at Kiski Lodge in Norden. Guests will be greeted by a real spook as they enter the witches den. The witches den is being done to provide exciting contests of skill for the guests. The all knowing witches have prepared a special pot of brew from which anyone may discover what the future holds for him. Games for all including the traditional apple bobbing will highlight the evening.

QUEEN NOMINEE

Nancy Williamson of Soda Springs who is attending college at Sierra Junior College is running for Homecoming queen. We feel that her chances are good as we remember her second placing in the Donner Lake regatta contest last summer. We all wish her luck.

HUNTER SAFETY

Max Williamson is planning to give a hunter safety for the boys and girls in the area interested. He hopes to have the classes organized to start November 3. The classes will last four hours total with one hour sessions to be given evenings beginning November 3, 5, 10 and 12.

Mercury, the smallest of the planets, is nearest the sun.

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5 p. m., on November 6, 1959, for draperies for classrooms and offices, in accordance with List and Specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, Californa; all prospective bidders are hereby referred to said ed and read aloud at the above list and specifications.

Said bids will be publicly openstated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten per cent (10%) of the amount of the bid, made payable to the Tahoe-Truckee School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidder shall refuse to enter into said contract after being requested to do so by said Tahoe Truckee Unified School District, Placer and Nevada Counties, California. In addition, said certified check or money order shall be given as a guarantee of complete delivery on or before January 4, 1960, and will be declared forfeited if delivery is not completed on or before that date.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

Boosters Ask For Support Of Team

This year's Wolverine football team has Tahoe Truckee High Boosters talking enthusiastically of championship hopes and a trip to Las Vegas to play for the Nevada State A title. The team is rated first in the conference for the first time in the history of the school. Not only has it defeated powerful and deceptive Lovelock and Winnemucca elevens but in non-conference play has downed Davis High, Manogue and Fallon, all schools rated double A.

Two single conference games remain on the schedule this season. Douglas High will host the Wolverines this Friday, October 30, 7:30 p. m. at Gardnerville and the final game will be played at home when the South Tahoe Vikings journey north, Saturday, November 7, at 2 p. m.

The backs score often on Coach Cal Farley's offense but it is because of the complete cooperation of the linemen. The defensive unit has really clicked and earned the name of "Red Raiders" by holding the competition to 2TD's or less in all but one game, which is a great help to the offense.

Friday night the Lions Clubs of North Tahoe and Truckee plan a caravan to Gardnerville where, after dinner with the Lions Club of that town, the program for the evening will be the Tahoe Truckee vs. Douglas football game.

This has been a good season for Tahoe Truckee High and now as the 30 players of Coach Farleys Wolverines make their bid for the "A" championship, they need all the support the fans can give.

Local support of the team could be a big help toward bringing a championship to town this year.

CLETA BRACY WEDS EDDIE LIDDLE OCT. 16

KINGS BEACH — Cleta Bracy and Eddie Liddle were united in marriage October 16, at the Park Chapel in Reno, Nevada.

The wedding dinner followed at the Mapes Hotel. Later in the evening guests were entertained with a champagne party in the home of the bride and groom.

Weekend guests were Mr. and Mrs. George Fesco, San Francisco and Mr. and Mrs. George Dossey and sons from Antioch.

The bride and groom are both residents of Kings Beach. The groom is employed by Skeet Thompson, building contractor and the bride is secretary to Mr. Konarske at Nevada Lodge.

The couple will make their home on Midiron Avenue, Kings Beach.

CARD OF THANKS

We wish to express our sincere thanks to our friends, Odd Fellows Lodge, Rebecca Lodge for acts of kindness, cards of sympathy and flowers extended to us in our recent bereavement in the loss of our father.

WOLVERINES

Continued from Page 1

half. Although behind only 6-0, the Lions went to the dressing room with a minus four yards net gained.

Following the second half kickoff the class that has won six ball games so far this season began to tell and the Wolverines ate up huge chunks of yardage. Randy Schultz, Truckee fulback, having his best night since being hampered by a bad knee, blasted up the middle for nine yards and a touchdown early in the period. He later repeated the scoring performance on a short plunge from two yards. Medford kicked his only conversion of the night and Truckee led 19-0 as the third period ended. Ribal early in the fourth quarter went around right end four yards for the fourth touchdown that ended the scoring for the evening. Reserves finished out the contest.

From a statistical standpoint the game was all Truckee. The Wolverines gained four hundred-one yards net overall to Yerington's thirty-seven. First downs were 17-3. Cinani had a good night, hitting 7-13 for 151 yards and the one touchdown. By contrast, Eddie Rhood, Lion tailback, was harrassed all night by the defensive unit and could only complete 1-16. Alert Truckee defenders intercepted three.

This Friday night the Wolverines journey to Gardnerville for another conference clash with the Tigers. Game time is 7:30.

EMBLEM CLUB FOR ELKS IS FORMED

TAHOE CITY — Twenty ladies met at the Tahoe City Community Center yesterday with District Deputy Dorothy Cameron of Los Gatos to form the Lake Tahoe Sierra Emblem Club. Also assisting was Los Gatos Club President Mrs. Grace West.

Mrs. Florence Brown was elected chairman and Mrs. Catherine Snyder, Vivian McIntire, Eve Donadio, Nancy Roberts and Velda Farris were elected to be on the nominating committee to bring in a slate of officers at the next meeting. Officers also may be nominated from the floor.

The next meeting will be held Sunday, November 8 at 1:30 p. m. at the Tahoe City Community Center.

All wives, mothers, daughters or sisters of any Elks in this area holding active Elks cards in any lodge are eligible. Additional information may be obtained by calling JUniper 3-3995.

The Sierra Winter Stock will meet Sunday, November 1 at 8 p. m. in Crystal Bay Club, Crystal Bay, Nev., to conduct business and final casting of Janus, the first play of the season.

All interested in taking parts or in other jobs in the theater are welcome to atend. Experience is not required Dr. M. Schwartz, publicity chairman said.

LOCAL DEALER RECEIVES DELIVERY OF NEW MODEL SAW BY HELICOPTER

Above photo shows Robt. J. Wray receiving delivery of first new Homelite Model BUZ at recent introductory Sales Meeting of Homelite dealers at Rickey's Garden Motel, Palo Alto. Delivery of the first saw was made by Hiller Helicopter. Some of the folks present also had the pleasure of a short cruise in the Plane. Homelite's new BUZ is their low, low cost quality saw. The unit is designed for occasional wood cutters, ranchers, farmers, resort and cabin owners. Homelite claims the BUZ to be the lightest unit available in the 4 horsepower class at the lowest price ever offered. The Buz can be seen at Wray's shop, located at Tahoe City.

JOINT-SEALING JOB IS NOW COMPLETED

Work has been completed on the joint-sealing project on two sections of U. S. Highway 40 freeway in Placer, Nevada, and Sierra Counties, state division of highway officials announced at the Marysville district office.

In Nevada and Sierra counties all four lanes from about one mile east of Floriston, 14 miles east of Truckee, to the Nevada state line were sealed. This five-mile section of freeway was completed last year.

The section in Placer County included about one-quarter mile of the westbound lanes near Gold Run, approximately eight miles east of Colfax. The remainder of this section, from Magra to Monte Vista, was previously sealed.

Purpose of the project was to prevent the joints from filling and nullifying their expansion-contraction capacity in areas where sand is used to minimize ice conditions. The joints are sawed into the concrete strip pavement to prevent random cracking and uneven settling.

Contractor for the $36,000 project was James M. Pope of Whittier. William R. Green of Yuba City was resident engineer representing the Division of Highways on the Job.

EIGHT ARE INVESTED AT SCOUT MEETING

Eight girls were invested last Tuesday in Brownie Troop No. 130, including Nancy Raynor, Dorothea Kirk, Phyllis Brown, Kathy Stowe, Diane Rose, Kathy Barrett, Debbie Wurst, Debbie Pratt. Other Brownies present were Sandy Davis, Michelle DeLisle, Sandra Ferdinand, Claudia Rhoades, Elizabeth Richards, Tammy Richards, Mary Randall, Kathy Campbell.

Guests witnessing the ceremony were Mr. and Mrs. Z. D. Rose, Harry Raynor. Mesdames J. B. Kirk, R. L. Harris, Jack Stowe, George Wurst, Dan Horman, William Randall and Melanie Anderson, Sharon Conine, Mary Kay and Caroline Rose.

COUNTY SHARES IN FUND FROM TRAILERS

SACRAMENTO—(CNS) — Counties throughout the state recently received $2,959,358 in apportionment for trailer coach fees collected on 182,315 trailers in the state during the past six months, State Controller Alan Cranston reported.

Los Angeles County received the largest amount, $904,991, on 63,336 trailer coaches, while only four trailers were registered in Alpine County, with a resulting apportionment of $35.29.

Nevada County received $5,046.

The fee is levied against trailer homes in lieu of property taxes. Each county's share is based on the number of trailers in the county at the time of registration.

CARD OF THANKS

We greatly appreciate the many floral offerings and remembrances to our departed husband and father and kindnesses to our family during this time of bereavement.

Gratefully,

LAKE CHURCH HOME HELD NOT TAXABLE

SACRAMENTO—(CNS) — The residence of the full time resident-manager of the California-Nevada Conference of the Methodist Church, at Lake Forest, Lake Tahoe, is exempt from taxation under the California constitution, Attorney General Stanley Mosk has ruled.

Mosk said the property is financed by the annual conference and individual members of the church. Educational and religious conferences are held on the grounds in summer and winter.

The parcel is 36 to 40 acres, with 800 to 900 feet of lake frontage and is used for group living, work and religious instruction.

Mosk said the resident-manager's home is part of the property and the administrative headquarters. No question had been raised over the exemption of all of the real property, other than that of the manager.

The attorney general's opinion was requested by A. L. Broyer district attorney of Placer County

LAURA PLUNKETT IS WED TO C. HARVEY

An announcement of interest this week was made of a double ring ceremoy performed Sunday October 25 by G. W. Fisher, Justice of the Peace at Minden, Nevada uniting Mrs. Laura B. Plunkett and Charles Harvey.

The bride is a native of Texas where she had owned and operated a cattle ranch before coming to California. For the past two years she and her son, Robert have been engaged in the hotel business here.

Harvey is a member of a pioneer Truckee family where he has spent most of his life. He is presently employed by the Sierra Pacific Power Co. The newlyweds plan to take a trip to Boise, Idaho.

LOCAL ARTISTS WILL EXHIBIT WORK SOON

Local artists will exhibit under the art week sponsorship of the Wyethia Woman's Club in the local store windows and at the Wyethia Clubhouse.

The clubhouse will be open Saturday afternoon and evening November 7 and all are urged to come and view the work of local talent in many types of art, including oils, water colors, wood carving and ceramics. The elementary school, in their new building will exhibit student work of all grades Friday afternoon from 1 p. m. until 5 p. m. High school exhibit time will be anounced later. Anyone wishing to exhibit their work may contact Mrs. Fred Pedley.

LARGE CLASS IN RED CROSS IS COMPLETE

A class of 25 students completed the standard first aid course conducted at the high school by Mrs. Marie Henry during recent weeks.

Mrs. Henry expressed her thanks for the cooperation and assistance.

Those who finished the course were Florence Brown, Gordon Brown, Clinton Brines, Ed Schofield, Harry Eaton, Jacob Bachman, Golda Bachman, Dorothy Bachman, W. A. Dawson, Josephine Gibson, Walter Gedien, Jr.

John E. Houlgate, Lon C. Mitchell, Goodi Mori, Edgar Schuldt Yosi Teramoto, Jean Walker, Richard L. Walker, Robert Coate, George N. Culver, C. F. Christiansen, Darrell C. Harrington, Robert West, Sebyl West and Terry West.

WEST RIVER STREET WORK IS COMPLETED

Widening and resurfacting has been completed on the 1.4-mile section of the West River Street from State Sign Route 89 south of Donner Creek underpass to Sign Route 89 in Truckee, according to state division of highways officials at the Marysville district office.

The $43,000 project, which included construction of a new reinforced concrete bridge over Donner Creek, is being provided for use as a detour during the 1960 Winter Olympics.

Granite Construction Company of Watsonville was the contractor, and J. W. Reynolds of Yuba City was resident engineer for the division of highways.

$100,000 DAMAGES ASKED IN ACTION

Claiming permanent injuries as a result of an automobile accident three and a half miles west of Truckee on January 24, 1959 at 10 a. m., Byron F. Brown has filed suit in the superior court seeking $100,000 for general damages.

The complaint charges Webster with negligence. He seeks coverage for medical expenses, loss of earnings, loss of use of his automobile and cost of medical care and loss of wages not yet ascertained.

FUN EVENING FOR EVERYONE PLANNED

A meeting of both single and married adults was held last evening in the Truckee Elementary School at 8 o'clock who have evidenced an interest in having an evening a week to enjoy folk dancing and songs. Games, such as volley ball, badminton, table tennis, may be added to the social affairs during the winter months.

Miss Jean Kessey may be contacted for added information.

TELL THE FACTS

Every retail pharmacist can help to dispel the modern myth of "high prescription prices" by pointing out to his customers that, when they purchase a drug, they purchase more than they sometimes realize.

The vast sums of money spent by pharmaceutical firms toward the development of compounds, the millions of hours that highly-trained scientific personnel work in the laboratories, the hundreds of tests and checks of everything from accurate weight of ingredients to the taste—these are in the composition of the customer's prescription just as surely as the chemicals.

And few people realize the pharmacist's contribution to the medicine they all too often take for granted. The dispensing pharmacist's years spent in college, his scientific knowledge and experience, his mature judgment in matters of an extremely confidential nature between patient, physician, and pharmacist—these factors, too, are built into the price of the prescription.

Then, too, the prescription should not be figured in terms of the dollars it costs, but in the extra healthy years of life which it provides.

Gain or loss, the fact remains that only through extensive research, accuracy, and the employment of top-flight medical and scientific personnel can the drug industry continue to provide and arm the community health team with effective drugs to prevent and combat disease.

TARZAN'S FATEFUL REUNION WITH HIS OLD APE FRIEND, HUGA, HAS PERSUADED THE LAST COLONY OF GREAT APES TO HUNT, RATHER THAN HIDE FROM, THE MYSTERIOUS *'BIG UGLY MEN'* WHO KIDNAPPED TINI-TINI WIVES AND DAUGHTERS.

TARZAN'S GREATEST HUNT BEGINS . . . WHILE THE TINI-TINI CHIEF'S WIFE, RESCUED BY GREAT APE HUMO, AWAITS HIS SUCCESS, TARZAN PREPARES TO STALK THE TINI-TINI RAIDERS IN THEIR CAMP.

BILL ELLIOTT JOHN CELARDO

THESE STRONG, UNAFRAID ONES WILL GO WITH YOU AND MY SON, HUMO, TARZAN! I AM NO LONGER STRONG FOR FIGHTING!

THE LITTLE SHE ONE WILL BE SAFE WITH US UNTIL YOU RETURN--WITH THE OTHER LITTLE SHE ONES!

WE WILL *TRY* NOT TO DISAPPOINT HER, OLD FRIEND, HUGA!

WE WIN *THIS* HUNT, HUMO, ONLY IF GREAT APE INTELLIGENCE OUTWITS THE MEN WE HUNT... WE MUST REMEMBER, IF THEY ARE SMARTER OR SEE US FIRST, *WE* CAN BE KILLED BY THEIR *WEAPONS!*

A-RAW, TARZAN! I THINK WE ARE MORE INTELLIGENT THAN THE *ROGUE* MEN!

DEEP IN THE JUNGLE FOOTPRINTS OF THE ENEMY ARE FOUND...

THE ROGUE MAN WITH THE LITTLE SHE ONE WALKED HERE, TARZAN, CARRYING HER...BEFORE I KILLED HIM!
